Foreword

Around the symbol of the RICHWOODS KNIGHTS, the Excalibur staff has endeavored to capture the spirit of the 1958-1959 school year in pictures and words. We hope this Excalibur will help to recapture the highlights of this school year, now and in the years to come.

We Dedicate

In accordance with the EXCALIBUR theme, THE RICHWOODS' KNIGHTS, we would like to dedicate this book to a teacher on our faculty who we feel is one of the best KNIGHTS of all. This teacher's personality, character, and loyalty has been an inspiration to all of the KNIGHTS of RICHWOODS. The friendliness and Knowledge, which she possesses, has guided many students toward the right decision.

Therefore, we, the members of the EXCALIBUR STAFF, in appreciation wish to dedicate the 1959 EXCALIBUR to

Mr. HENRY TRIEBEL

Mr. CHARLES B. ULLRICK

Mr. WILLIAM O. LOWERY

Dr. FRED ENDRES

The members of the Board of Education of the Richwoods Community High School, District 312 are Mr. Ralph Hoerr, President, Mr. Henry Triebel, Secretary, Dr. Fred Endres, Mr. Wheeler McDougal, Mrs. George Meyer, Jr., Mr. Charles Pattison and Mr. L. Edward Roby. Mr. Charles B. Ullrick has served as the attorney for the Board of Education since the district was organized in 1951. Mr. William O. Lowery has served as a member of the Board of Education and is now the treasurer for the Richwoods Community High School District and several of the underlying elementary districts.

Members of the Board of Education are elected by the public for a three year term. They meet twice a month in regular meetings, and establish the policy upon which the school operates.

Through their efforts a new addition to the present building will be built and completed by 1960. The cost of the new addition will be \$975,000.00. It will include fourteen new class rooms, an addition to the library, an addition to the study hall, a crafts class room, three science laboratories, an addition to the counseling and guidance area, and an addition to both the boys' and girls' locker rooms.

We, the student body, appreciate the Board of Education's efforts in taking the necessary leadership in the community to make it possible for us to have the best educational opportunities available.

Mr. FRED McDAVID
Superintendent

Our very capable administration staff has certainly helped all of the RICHWOODS' KNIGHTS to have a more successful and eventful year, both in activities and in academic work. Last year, because of our fine superintendent, MR. FRED C. McDAVID, and our other three administrators' great desire to make Richwoods a reputable school, they set the high scholastic standards that we have at our school. With the fine thinking and cooperation of the Community, Board of Education, the administrative staff, the faculty, and everyone else who assisted in making Richwoods Community High a superior school, R.C.H.S. was accepted as an accredited school by the North Central Association and the Illinois State Department of Public Instruction. An accreditation the first year of any new school is a rarity. We consider this an honor to have been accepted so soon.

MR. WAYNE CRAWFORD, Business Manager and As-

Mr. WAYNE CRAWFORD
Assistant Superintendent and
Business Manager

sistant Superintendent, has aided Mr. McDavid with many important business matters. He has supervised the cafeteria program, bus transportation, maintenance, and the purchasing of all the equipment for the school. His cooperation with our superintendent can be seen throughout our two profitable years.

MR. RICHARD ERZEN, Administrative Assistant, Dean of Boys, and Director of Guidance, and MISS HELEN CURRAN, Dean of Girls, have counselled us with all of our problems. Their leadership, patience and understanding have guided us through all of our difficulties during the past two years.

We owe so much to our excellent administrative staff and want to thank them for their help in making us better students and KNIGHTS today, as well as citizens of tomorrow.

Office Staff

The high quality work of the KNIGHTS of our office staff can be seen by the accomplished and orderly way our school office staff operates. Mrs. MARJORIE PUTMAN, the receptionist and switch-board operator, has always greeted everyone with a smile. Mrs. JOYCE PALUSKA, the office manager and Mr. FRED McDAVID'S personal secretary, has never been too busy to help a student. The attendance clerk, Mrs. BLUMENRADER, and the general clerk, Mrs. POGUE, have been patient and friendly to everybody. Mrs. LEE, Mr. WAYNE CRAWFORD'S secretary and bookkeeper, Miss JEANIE FISHER, secretary to Mr. RICHARD ERZEN, and Mrs. URSULA YOUNG, part time bookkeeper, have been efficient and have done their work well. Mrs. HARRIETT BALL has done much to keep our library in fine working order. This important and necessary staff of R.C.H.S. has been appreciated by all of the KNIGHTS of Richwoods.

Senior Knights

We, as Senior Knights, came to Richwoods Community High School last year and united. Our first task as a class in our new school was to elect the class officers and student council members. Then the selection of our class rings, a difficult but important decision, was made. The climactic event was the Junior-Senior Prom, which the class of "59" successfully sponsored. Under the capable leadership of our advisor, Mrs. Margaret Ellen Richardson, and our assistant advisor, Mr. Kenneth Barton, last year's activities were very profitable.

As seniors, we eagerly started to school this fall with many plans for our last and most important year. The senior highlights this year have been many and varied. Leading our class were John Blossom, Jr., president, Bob Creamer, vice president, Lee Ann Culmer, secretary, and Bill Rutherford, treasurer. Some of our senior class members were honored to be chosen physical education leaders.

Preparing for college, under the direction of Miss Helen Curran, Dean of Girls, and Mr. Richard Erzen, Director of Guidance, we attended College Day and Scholarship Night where we learned about the various colleges and the scholarships available to us. The Campus Caper's and Susy Secretary's potluck dinners, advised by Miss Helen Curran, were held for the girls planning college or business careers. A number of our class members

were awarded scholarships for their academic efforts. The first dance of the school year, sponsored by the senior class and the first Homecoming Dance, sponsored by our fine Student Council, were very successful affairs. We were all pleased with Richwoods first Homecoming Queen, Mary Gummerson, who was crowned by Dan Sills, Student Council President, and her equally beautiful senior court, Nancy Barker, Lee Ann Culmer, Donna Ginther, Lucia Meyer, Jan Moreland, Gail Rubin, and Sue Ward. The girls' escorts were Ken Allen, John Blossom, Jr., Mike Few, Steve Giddan, Dean Jameson, Wheeler McDougal, Jr., Tom Morgan, and Chris Roby. After working so diligently, we thrilled to receive first place in the float contest.

The senior banquet, dance, and all the graduation ceremonies will be cherished by all of us for a lifetime. Our energetic advisor and assistant advisor, Mr. Allen Metternich and Mr. Leonard Korgie, truly helped us to have recognized academic and social achievements throughout the year.

We seniors have sincerely enjoyed attending such a fine school as Richwoods Community High. We certainly will remember our alma mater and intend to return to see all the progress made, and recall the pleasant memories of our high school days.

JUNIORS

Mrs. Margaret Richardson

Mr. Ralph Everson

We Junior Knights have had two very busy years so far at R.C.H.S. Last year we presented the pep assembly, "This Is Your Life, Mr. Henderson." We certainly had fun at our two class mixers last year, too.

This year, our class officers have been Duke Zeller, President; Bobette Furst, Vice-President; Sally Spencer, Secretary; and Susan Leach, Treasurer. The theme for our homecoming float was "Toasting Our Victory."

The big event this year was the Junior-Senior Prom. We presented our class play "The Curious Savage" under the direction of Mr. Donald Marine. Also, we worked at the concession stand during the football and basketball games. A great deal of credit for our outstanding Prom as well as our prosperous year goes to our two class sponsors, Mrs. Margaret Ellen Richardson and her assistant, Mr. Ralph Everson. This has certainly been an eventful and an unforgettable year, and one which we all shall cherish.

Last year, because of our class mixers, we Sophomore Knights really became acquainted and made many new friends.

Our class officers this year have been Jim Buck, President; Jackie Page, Vice-President; Lynn Anderson, Secretary; and Mike Leiner, Treasurer. With the cooperation of our class officers and our sponsor, Mr. Don Johnson, our homecoming float with the "Humpty Dumpty" theme, was quite effective and successful.

The two class parties completed the important events of the year. We Sophomores anticipate all the activities of the Junior year, especially the Junior-Senior Prom.

FRESHMEN

Mrs. Brown

John Rutherford

The first important activity the freshman class participated in was to elect their student council representatives and class officers. Those chosen to serve the class, Wayne Krantz, President; Karen Kunkle, Vice-President; John Rutherford, Secretary; and Joan Potter, Treasurer.

These new Knights of Richwoods were thrilled to actively participate in the homecoming celebration festivities and the preparation of the float. The freshmen did a very commendable job with their float. The theme was "Have ball, will travel."

Throughout the school year, the freshman class mixers have added pleasure and enjoyment. We of the freshman class wish to thank Mr. Hughes for his efforts in making our parties a great success. We also express our gratitude to Mrs. Mary Brown, our class sponsor, for her help and fine support during the year.

MY SON

You, my son, have shown me God
Your kiss upon my cheek has made me feel
The gentle touch of Him who leads us on.

The memory of your smile, when young,
Reveals His face, and mellowing years come on apace.
And when you went before, you left the gates of heaven ajar
That I might glimpse approaching from afar
The glories of His grace.

Hold, son, my hand, guide me along the path,
That coming, I might stumble not, nor roam,
Nor fail to show the way which leads us home.

Dan Sills has done a remarkable job this year as President of the Student Council. He has a fine character and an outstanding personality. We Knights are extremely proud of our school, and Dan has really set a wonderful example of Richwoods' character and has certainly been a credit to the class of 1959.

The members of the Student Council, the student representative body of our school, have considered it a great honor to have been elected by the Richwoods students this past year. The Knights of Richwoods have put their faith in the Student Council by selecting these people to represent and serve them. These students must have high scholastic standings and unusual and outstanding characteristics because they set the example of our school. The members of this governing body, guided by Mr. Erzen, sponsor, and Mr. Vipond, assistant sponsor, have planned many of the activities and social events of the year. They scheduled the Christmas and Spring Dances, the After-Game Dances, and the Vice Versa Dances, the Homecoming celebrations, which included the dance, the parade, and the football game, all of which were a great success. All of the credit for the world clothing drive, the food baskets project, and the clean up week, goes to these fine students. These people have also taken care of the selling of the school supplies, the printing of the student directory, and the lost and found department. Next year the Student Council plans to sponsor a foreign exchange student. The Richwoods Knights have been very proud of their Student Council this past year.

Staff Aid

The Excalibur Staff has done an outstanding job with the year-book this year. Every staff member has contributed to making this 1958-59 Excalibur a terrific book. There have been many times when the members have stayed up half the night, but the diligent work of these people has certainly been well worth all the effort, as the Richwoods students can see by this excellent year-book. Miss Engelhaupt, the advisor, has directed the students and has always been eager and willing to help any staff members with a problem. The Richwoods Knights also wish to compliment Janet Sperry, the editor-in-chief of the Excalibur, for such a marvelous book, one which will always be cherished.

Every two weeks the Newspaper staff has supplied the Richwoods students with all the important news and the latest school events. Only with the cooperation of all the members of the staff and with the help and guidance of the advisor, Miss Engelhaupt has the Shield been so successful this year.

Football

The 1958 season proved to be an outstanding one for the Richwoods footballers. A record of seven victories against only three losses established the Knights as one of the top teams in the area. By beating five of seven conference opponents, they nailed down third place in the rugged Mid-State Eight race. This fine performance has set a precedent which Coach Juska and future squads will strive to follow.

Dale Oakley kicks off the 1958 season in Richwoods stadium against Decatur Eisenhower. The Knights won, 32—6.

HOMECOMING HIGHLIGHTS

The Knights grind out valuable yardage which helped crush Limestone, 27—7.

Into the air and between the uprights goes the successful attempt for an extra point.

The Knight forward wall cracks a goal-line stand and scores another T.D.

Many seniors on this year's squad received outstanding recognition. Jim Novak and Bob Camp were named to the Mid-State Eight All-Conference team, and George Furness was tagged an All-Stater by the *Chicago Daily News*. Backfielders Howie Fulford, Dale Oakley, and Jim Moushon were the recipients of much favorable comment as were linemen Dave Koch, Wayne Mammen, Jack Garrett, Jack Endres, and Chuck Buck.

Cross Country

This year's cross-country team showed quite an improvement over last season's squad. While winning only two meets, they started the winning ways which we hope will continue in the future. With a group of underclassmen returning next season, Coach Power and his men will probably boast a much better record.

The Knights place men second, third, fourth, and fifth in order to assure a win.

Basketball

The Knight cagers played much fine basketball in the 58—59 season. Their record of eight wins and twelve losses cannot truthfully tell of their effort. What they lacked in statistical advantages, they more than made up in desire, hustle, and spirit. With many fine sophomore and junior players returning, Coach Henderson's crew will do much better in the future year.

The Knight grapplers wrestled their way into a fine season. They posted a record of 12 wins, 5 losses, and 1 tie; along with taking third in the Mid-State 8 and second in the Illini Conference and District meets. With many underclassmen returning, next year's matmen should have another fine season.

Swimming

The Knight tankmen and Coach Baietto achieved good results for their efforts in the 58-59 season. Of eleven meets, they won six, lost four, and tied one. With many sophomore and junior swimmers returning, the Knights of next year should be able to drown any opposition.

The Knight baseballers were one of the first groups to post a winning season. Their 10—9 record boasts of much accomplishment. Dropping three straight games at the start of the season, they ended the campaign by taking four out of five. With the entire team returning, next year should be an outstanding one.

The 1958 golf squad must have been in the fairway all season long. The record shows 14 wins as opposed to only 4 losses. In the major meets they shot themselves into top positions; finishing third in the Quincy Invitational and District meets, and second in the Illini Conference. With most of last years' performers returning, future campaigns should be just as successful.

Tennis

For the tennis team, 1958 was a year of building. The "Racket Squad" dropped their first seven varsity matches. They continued to improve, however, and came on to take their last match from a team that had beaten them previously. With such a fine spirit, next season should prove to be a better one.

EARLY DEATH

He passed away like morning dew
Before the sun was high;
So brief his time, he scarcely knew
The meaning of a sigh.

As round the rose its soft perfume,
Sweet love around him floated;
Admired he grew — while mortal doom
Crept on, unfeared, unnoted.

Love was his guardian Angel here,
But Love to Death resigned him;
Though Love was kind, why should we fear
But holy Death is kinder?
